while earning a salary.**

GASTON
COLLEGE

Apprenticeship 321

With the **Heating, Air Conditioning & Refrigeration Installer Servicer**

Apprenticeship 321 program, earn an ACHR Diploma in 4 years.

HVACR technicians work on heating, ventilation, cooling, and refrigeration systems, mostly in homes, schools, hospitals, office buildings, or factories.

What Heating, Air Conditioning & Refrigeration Installer Servicers Do*:

- Install, clean, and maintain HVACR systems
- Install electrical components and wiring
- Inspect and test HVACR systems and components
- Discuss system malfunctions with customers
- Repair or replace worn or defective parts
- Recommend maintenance to improve system performance
- Keep records of work performed
